**Skills:**

**Introduce:**

My major is the marketing . I use lot of time to learn CB in school .

In the school time join the baseball &volleyball team. To learn the group life and co-worker.

Maybe you will have question why I go to join the training. Because I found which is my less ability .

So I search a class in job-center. Luckily it also have the class which I looking for. Right way I apply it and start my It life .

Maybe my character is outgoing and don't like to take things as they are.

I want to take off my safety zone. Following the work field ability.
